Wake up every morning
Before the sun light rises and shines
I connect my soul with the eternal energy of the Most High
Waiting for the Master of the Universe to reorganize his plan
There is nothing else that I can do
I'm only a man
I pray pray pray
I just want to go back to the place I came from
Pray pray pray like a tree of the field
Wanna stand strong and firm
Pray pray pray rebuilding myself brick after brick
Pray pray pray
Waiting for a new day
It's already happened
And it'll happen again
A silent revolution we'll make day by day
Don't believe in the fuss and the fighting
Of politicians' lies
A radical solution gonna find with my tribe
I pray pray pray
I just want to go back to the place I came from
Pray pray pray like a tree of the field
I want to stand strong and firm
Pray pray pray rebuilding myself brick after brick
Pray pray prayt
Waiting for a new day
Sotto 'a fronna 'e limone stammo cca'
Aspettanno na stagione nova pe' ce arricrea'
Rivoluzione totale
Senza chiacchiere a vacante
Ca abboffano 'a capa a' gente
Accumminciammo n'ata vota overamente
Simmo piezze 'e core azzeccate malamente
Voglio gira appriesso 'o munno
Rispiro 'o mumento primma che s'affonna
